

MTTF certificate

For the electronic products provided by our company, the MTTF values are listed below:

1. Reference standard:

we calculate the MTTF value of our electronic products using the special software and the parts count process according ISO 13849-1 appendix C.5

(ISO13849-1 2015)

2. Calculation formulas:

Calculation formulas	
$MTTF = \frac{1}{\sum_{i=1}^n \frac{1}{MTTF_n}}$	$MTTF_D = MTTF \cdot 2$

3. Calculation results:

Part Number	Product category	MTTF	MTTFd
RF30-WR-Q95H/LK	electronic products	210years	420years
