

## MTTF Certificate

For the electronic products provided by our company, the MTTF values are listed below:

### 1. Reference standard:

we calculate the MTTF value of our electronic products using the special software and the parts count process according ISO 13849-1 appendix C.5 (ISO13849-1 2015 )

### 2. Calculation formulas:

Calculation formulas	
$MTTF = \frac{1}{\sum_{i=1}^n \frac{1}{MTTF_i}}$	$MTTF_D = MTTF \cdot 2$

### 3. Calculation results:

Analog IO Modules

Part Number	Product category	MTTF	MTTFd
FX20-AI/AO-BXXX	electronic products	196years	392years
