

MTTF certificate

For the electronic products provided by our company, the MTTF values are listed below:

1. Reference standard:

we calculate the MTTF value of our electronic products using the special software and the parts count process according ISO 13849-1 appendix C.5

(ISO13849-1 2015)

2. Calculation formulas:

| Calculation formulas | |
|--|-------------------------|
| $MTTF = \frac{1}{\sum_{i=1}^n \frac{1}{MTTF_n}}$ | $MTTF_D = MTTF \cdot 2$ |

3. Calculation results:

| Part Number | Product category | MTTF | MTTFd |
|--------------|---------------------|-----------|----------|
| FEPN-08UP-M8 | electronic products | 142 years | 284years |
